

MEDICAL REVITALIZATION, INC

Ritter Midmark 411

Features

- The Midmark 411 Power Chair is a refurbished 4-way power chair designed for multi-practice situations. This chair operates with a side panel control to control the back, tilt, foot and height.
- The 411 is fully programmable with 8 program positions. This feature saves time during patient exams to get the table into and out of common positions.
- Other useful features include procto knee rest, paper storage, slide-out treatment pan, adjustable headrest and adjustable stirrups, removable upholstery sections for effective and easy cleaning, optional foot control.
